CMS-10704 Health Reimbursement Arrangements and Other Account-Based Group Health Plans

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Extension of a currently approved collection;
Title of Information Collection: Health Reimbursement Arrangements and Other Account-Based Group Health Plans; *Use:* On June 20, 2019, the Department of the Treasury, the Department of Labor, and the Department of Health and Human Services (collectively, the Departments) issued final regulations titled "Health Reimbursement Arrangements and Other Account-Based Group Health Plans" (84 FR 28888) under section 2711 of the PHS Act and the health nondiscrimination provisions of HIPAA, Public Law 104-191 (HIPAA nondiscrimination provisions). The regulations expand the use of health reimbursement arrangements and other account-based group health plans (collectively referred to as HRAs). In general, the regulations expand the use of HRAs by eliminating the current prohibition on integrating HRAs with individual health insurance coverage, thereby permitting employers to offer individual coverage HRAs to employees that can be integrated with individual health insurance coverage or Medicare. Under the regulations employees will be

permitted to use amounts in an individual coverage HRA to pay expenses for medical care (including premiums for individual health insurance coverage and Medicare), subject to certain requirements. This information collection includes provisions related to substantiation of individual health insurance coverage (45 CFR 146.123(c)(5)), the notice requirement for individual coverage HRAs (45 CFR 146.123(c)(6)), and notification of termination of coverage (45 CFR 146.123(c)(1)(iii)). *Form Number:* CMS-10704 (OMB control number 0938-1361); *Frequency:* Annually; *Affected Public:* Private Sector, State Governments; *Number of Respondents:* 2,005; *Total Annual Responses:* 273,492; *Total Annual Hours:* 6,016.
